

# Languages & The Media 2018

## 12<sup>th</sup> International Conference on Language Transfer in Audiovisual Media

The 12<sup>th</sup> International Conference on Language Transfer in audiovisual Media - Languages and The Media promises to be the greatest edition of the conference to date. In 26 panel sessions and presentations under the overriding theme “*The Fourth Industrial Revolution*” more than 90 international leading experts will be discussing the innovations, trends and challenges that are shaping the audiovisual translation (AVT) and media accessibility industry. Some of the hottest topics include quality standards and quality metrics, media accessibility, and multilingualism, training for media accessibility and AVT professionals, local content for global audiences, automation and platforms in the cloud, subtitling for 360° media, accessible filmmaking and many more.
